

AIR-X

Never slow
down

Air-X is a lightweight stroller that can easily be folded with one hand. It is designed for parents that are always in motion. You can go out, spend time on long walks in the countryside, work and even travel by car or plane.

Do what you want with the Air-X.

Accessories

SMART SIZE

Feel free to take Air-X with you on a trip to grandparents or on a journey across the ocean. The size of the stroller is perfect for luggages.

SOFT SHOCK-ABSORPTION SYSTEM

Shock absorbers on front and rear wheels are adjusted automatically. An anti-wobble system prevents wheels vibration during the stroller's motion.

EASY CARE

It is easy to take off the sewing for washing to keep your stroller working properly and looking good.

AIR POCKET

Backrest ventilation opens with a zipper and fixes with a button. Provides extra comfort in hot weather.

ONE-HAND SYSTEM

It takes 3 seconds to fold or unfold Air-X with one hand!

POSITION FOR NEWBORN BABIES

The seat unit provides the option of a recommended lying position for newborns.
