

m / type

**Everywhere
in motion**

**Anex m/type
is a stroller for those
who are constantly
in motion and like
off-road strolls.**

**It includes all qualities
that a great stroller
must have: a combination
of eco-friendly materials
and high technologies.
Straight forward in control,
easy in maintenance,
and comfortable
for a child.**

Desert hide

SAND CAMO.
EMBROIDERY.
BEIGE SHADES.

The pattern on the stroller repeats the camouflage used in the real deserts. The beige color palette will look great in urban locations and during the family promenades in the park.

Hide

CAMO. GRID.
FIERY DETAILS.

We used a camouflage pattern to blend Anex m/type Hide with the surroundings. This stroller is created to be a hiding place for babies. Away from all of the alarms and noises.

MT-SE03

Noble

PURE SHADES.
LEATHERETTE.
GOLDEN DETAILS.

The colors of Anex m/type Noble represents different emotions experienced by parents-to-be. These colors are calm but majestic, stroller's design is breathtaking but gentle enough to comfort the baby.

Special edition

TRANSFORMER BASKET

The functionality of the basket provides various options: open, semi-open, enlarged, and completely closed.

LULL-IN-COT

Thanks to its smart design the carrycot can easily be removed from the frame and used as a cradle.

THE BUTTONS MEMORY SYSTEM

It is easy to adjust the hood of the cot and remove the carrycot from the frame with one hand thanks to the buttons memory system. It keeps the buttons pressed, making the stroller more comfortable to use.

TRIPLE SHOCK ABSORPTION

The shock absorbers work simultaneously on the front wheels (which are smaller for better maneuverability), rear wheels and on the frame. The system can be adjusted according to the type of road surface with two rotating regulators on the frame above the basket.

POSITION FOR NEWBORN BABIES

The seat unit provides the option of a recommended lying position for newborns.

BREATHING SYSTEM

The stroller is equipped with a complex air circulation system that provides ventilation in the bottom, in the hood and in the mattress of the cot, in the footrest and hood of the seat unit.
